**OLD TRINITY CHURCH'S RESTORATION PROJECT
WHAT A JOURNEY!**

- 11/12/18 Old Trinity Committee unanimously votes to actively pursue quotes for replacement windows and vinyl siding to preserve the building for future generations.
- 11/21/18 A Boston Butt Fundraiser was held for the Restoration Project.
- 12/24/18 A Boston Butt and Turkey Fundraiser was held for the Restoration Project raising close to \$1000 from both fundraisers.
- 2/11/19 Old Trinity Committee minutes note that January was set aside to improve the cemetery, and Joey Byrd is hired to right the sinking stones and markers, place dirt and new sod in areas where needed, and to fix the badly washed-out areas with additional dirt and new sod.
- Also noted in the minutes: Chairman Lin pursued and received bids for the windows and siding and suggested giving individuals the opportunity to purchase a window and/or transom in honor or memory of someone.
- 2/17/19 – 4/21/19 From the middle of February to the end of April, TUMC members and friends of Old Trinity Church donated to purchase every window (24) plus the 3 transoms over the doors raising \$13,001.00, as well as receiving extra donations for the second phase of the project, the vinyl siding.
- 4/7/19 – 5/25/19 Old Trinity Committee announces they are sponsoring a Church Yard Sale to raise more monies for the vinyl siding. Chairman Lin asks Sally Valentiner to oversee this project. Sally not only pulls together an amazing workforce of the most hardworking members and friends of Trinity, but also collects easily more than 1,000 items to sell. The total raised by this fundraiser is \$3622.05.
- 6/3/19 On June 3rd a substantial, final donation is given to TUMC which completes the fundraising necessary to pay for the vinyl siding.

The Old Trinity Committee would like to thank everyone who participated in this project. *“We truly could not have done this without you!”*
